Bonnie Pink, Silence

Silence You smoke in silence Tipling and glazing, high and dry Silence Yes, she's gone Without so much as looking back

Silence
I knew your end
Doesn't matter to me where you go
But I want you to know
That silence ain't so bad

Silence
You bite at silence
Don't wanna be eaten by
Silence
Yes, you're alone
Without a word, within you're crying

Silence You fight in vain doesn't matter to me what you do But I want you to know That silence ain't so bad

Silence I live with silence Shading you and absorbing your sigh Silence Yes, I was born and bred in silence

Silence I'm not insane Doesn't matter to me how you think But I want you to know That silence ain't so bad
