

# Bonnie Tyler, Islands

Islands from the first time we saw  
we could wait for this moment, like rocks on the shore  
we can never be closer somehow  
for the moments that lasts, is this moment now

(CHORUS)

When the nights's on fire will you keep the Candlelight Burning  
Hold on to your hearts desire

When you see one bird into the wind another one's turning  
And the two can fly much higher

We are Islands but never too far, we are Islands

And I need your light tonight, and I need your light tonight,

We are Islands but never too far, we are Islands

And I need your light tonight, and I need your light tonight

Islands never been to before and we climb so high  
to where the wild birds soar, there's a new path that  
we found just today I was lost in the forest and you  
showed me the way

(Repeat chorus)
