

Bonnie Tyler, Islands

Islands from the first time we saw
we could wait for this moment, like rocks on the shore
we can never be closer somehow
for the moments that lasts, is this moment now

(CHORUS)

When the nights's on fire will you keep the Candlelight Burning

Hold on to your hearts desire

When you see one bird into the wind another one's turning

And the two can fly much higher

We are Islands but never too far, we are Islands

And I need your light tonight, and I need your light tonight,

We are Islands but never too far, we are Islands

And I need your light tonight, and I need your light tonight

Islands never been to before and we climb so high

to where the wild birds soar, there's a new path that

we found just today I was lost in the forest and you

showed me the way

(Repeat chorus)
