

# Bonnie Tyler, Total Eclipse Of The Heart (Radio Version)

Turn around  
Every now and then I get a little bit lonely  
and you're never coming round  
Turn around  
Every now and then I get a little bit tired of listening to the sound  
of my tears  
Turn around  
Every now and then I get a little bit nervous that the best of all the  
years have gone by  
Turn around  
Every now and then I get a little bit terrified and then  
I see the look in your eyes  
Turn around, bright eyes  
Every now and then I fall apart  
Turn around, bright eyes  
Every now and then I fall apart  
Every now and then i get a little bit breathless  
and i crave of something right  
Every now and then i get a little bit helpless and i'm  
lying like a child in your arms  
turn around  
Every now and then i get a little bit angry and i know  
i've got to get out of ground  
turn around  
Every now and then i get a little bit terrified but then  
i see the look in your eyes  
turn around bright eyes  
Every now and then i fall apart  
turn around bright eyes  
every now and then i fall apart  
And I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong  
Together we can take it to the end of the line  
Your love is like a shadow on me all of the time  
I don't know what to do  
I'm always in the dark  
We're living in a power keg  
And giving off sparks  
I really need you tonight  
Forever's going to start tonight  
Forever's going to start tonight  
Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart  
Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart  
(Big Instrumental)  
Turn around, bright eyes  
Every now and then I fall apart  
Turn around, bright eyes  
Every now and then I fall apart  
And I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong

Together we can take it to the end of the line  
Your love is like a shadow on me all of the time  
I don't know what to do  
I'm always in the dark  
We're living in a power keg  
And giving off sparks

Forever's going to start tonight  
Forever's going to start tonight

Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart  
A total eclipse of the heart
