

# Bonnie Tyler, Years May Come

Heartaches and so much pain  
Cry out to you in vain  
I'll keep my promises sweet darling  
Don't let this sweet love die  
So many reasons why  
I'll keep my promises, oh darling, oh yeah  
I'll wait for you my sweet love

(chorus)

Years my come and years may go  
Still there's one thing that I know  
That my heart is only beating just for you, darling  
Only a fool would let you go  
And I will always love you so  
For my heart is only waiting just for you

Time passes by so slow  
With every hour yeah I know  
I'll keep my promises sweet darling  
The stories that you'll hear  
Jealous words have no fear  
I'll keep my promises sweet darling  
Oh, are you dying my sweet love

Repeat chorus twice then fad
