

# Bonzo Dog Band, Postcard

Oh, I do like to be beside the sea

Drinking beer sits in Silver's Arcade  
Sips imaginary lemonade  
Amusement Park!

Writing letters home  
What a lovely view-EE-ooo (blah blah blab blab) (Dear Mom)  
"What the Butler Saw" was a bit of a drag  
The captain says he's going to heaven, too

Bored with Bingo, we went for a swim  
Fat sea cows with gorgonzola skin  
Semi-nude!

After lunch, we grabbed our trunks  
And we all got cramp!  
Trousers rolled, the sea is cold  
But it's good for chilblains

On the prom, white plimsolls and blue shorts  
Brass band playing by the tennis courts  
Love-fifteen! Love fifteen year olds

What a lovely view-EE-ooo, I've written at last  
What's the rudest one? Just for a laugh  
Just married and it sticks out for a mile!

We wish you were here  
We wish you were here  
We wish you were here  
We wish you were here  
We wish you were here  
We wish you were here  
We wish you were here  
We wish you were here  
We wish you were here  
We wish you were here  
We wish you were here  
We wish you were here  
We wish you were here

It rained yesterday, so we stayed indoors  
The food's all right, I'm okay, hope you are same  
Wish you were always, your loving son Anthony

I hope I get bronzed this year
