

Bonzo Dog Band, You Done My Brain In

I have personally won over...

Weeeeeell
Lookin' like a muscle man
You crawled out from the swamp
Slimy, wild, you honey child
Give me your hump

You done my brain in
Whhaahhh!
You done my brain in
Right in
And I just can't handle it
Wooo!
You done my brain in!

Hallelujah!

Don't kiss me with your silver lip
Don't kiss me with your eye
For God's sake, gimme a break
Let me crawl away and die

You done my brain in
Whhwhhaaaggghhhh!
You done my brain in
Right in
And I just can't handle it
Whhwhhaaaggghhhh!!!!
