## Bonzo Dog Doo Dah Band, By A Waterfall

By a waterfall I'm calling "Yoo-hoo-hoo-hoo" We can share it all Beneath a ceiling of blue We'll spend a heavenly day Here where the whispering waters play

There's a whippoorwill
He's calling " Yoo-hoo-hoo-hoo"
By a waterfall he's dreaming too
There's a magic melody
Mother Nature sings to me
Beside a waterfall with you

## All together now:

By a waterfall I'm calling " Yoo-hoo-hoo-hoo-hoo-hoo-hoo We can share it all Beneath a ceiling of blue (Yoo-hoo-hoo-hoo) We'll spend a heavenly day Here where the whispering waters play

There's a whippoorwill
He's calling " Yoo-hoo-hoo-hoo-hoo By a waterfall he's dreaming too (He's dreaming too)
There's a magic melody
Mother Nature sings to me
Beside a waterfall with you
With you
Thinking only of you
Wanting only to be with you
Needing desperately to be only with you
