

# Bonzo Dog Doo Dah Band, King Of Scurf

(scratch scratch scratch)

I had alot of acne and pimples (pop pop)

I had to stay at home

Eventually no one came near me

(Eeeew! Eeoogh!)

All I had was my comb

And when it came to girls

The other guys seemed to have all the luck

(Why, hello, honey, like to come to the high school hop tonight, huh?)

Wha hy, you little chickadee!)

Until one day, I heard them say

(His comb is full of muck!)

(Now he's the King of Scurf)

They know me everywhere

(King of Scurf)

I got filthy hair

(He's got dandruff)

More'n my share

I'm the King of Scurfers, yeah!

(Ooooo, scurfing, yeah)

Hmm hmm hmm

(Ooooo, scurfing, yeah)

Ooo ooo oooo

(Ooooo, scurfing, yeah)

Oh oh

(King of Scurfers, yeah!)

Only last Saturday

We had a scene at our local pub

(Yah, yiy yiy yiy, that was fantastic!)

Everybody was jumpin' and jivin'

(Jump! Oooo!)

Some were doin' the Bop

(Bop shoo waddy waddy)

Oh, look what came over there!

I was shooping my head

The dandruff spread

Wow! Look at him go!

Like leaves blowin' off of the trees

Million teeny boppers and long haired moppers

In scurf right up to their knees

I can feel it in my sneakers!

(Now he's the King of Scurf)

They know me everywhere

(King of Scurf)

I got filthy hair

(He's got dandruff)

More'n my share

I'm the King of Scurfers, yeah!

(Ooooo, scurfing, yeah)

Oool ooo ooo ooo ooo

(Ooooo, scurfing, yeah)

Oooo hooo

(Ooooo, scurfing, yeah)

Oh oh

King of Scurfers, yeah!

At the beach one day

A muscle man kicked some sand in my face

(Ha ha ha ha ha)

So I whipped out my comb and scratched my dome  
And soon put him back in his place  
That's better!  
You see, the top of my head  
Was evenly spread  
Like the snow on top of the Alps (whoosh!)  
The scurfin' kids really flipped their lids  
When they saw the state of my scalp  
Wow! The perfect amount!

(Now he's the King of Scurf)  
They know me everywhere  
(King of Scurf)  
I got filthy hair  
(He's got dandruff)  
More'n my share  
I'm the King of Scurfers, yeah!

Guess I'll just have to start from scratch

(Oooo, scurving, yeah)  
Hmm hmm hmm hmm hmm  
(Oooo, scurving, yeah)  
Ooo ooo ooo oooo  
(Ooooo, scurving, yeah)  
Woo oooo oooo oooo  
King of Scurfers, yeah!

(Ooooo, scurving, yeah)  
Oh oh oh oh wah aaaah  
(Ooooo, scurving, yeah)  
Aah aah aah aaaah aah
