

# Boo Radleys, Upon 9th And Fairchild

I don't need you preachin'  
Tellin' me points of law  
I got my own problems  
trying to stay off the floor

as the vultures circle  
and the bills and demands  
fill the floor  
it's been 3 weeks and 3 days  
since I last stepped out my door

this is my life too  
this is mine

jesus this room's so cold  
but you've got your own problems  
I can't see an end to it all
