

Boom Shaka, Jah Mek It Rock

Tell me, tell me what you want
Tell me, tell me how you feel
What's on your mind
Or is your blues far and in between?
Now we dey ya so
Come let us pray

(chorus)
Jah, Jah mek it rock
Mek the song
Rock, rock, rock
Hang it up in the air
If you know, if you know what I mean
Tell you now
Tell Him what you want
Tell Him how you feel
Tell Jah what you want
I know his love is real

Most people really don't know
Some people don't see
Some man say they've seen the light
Dem are the workers of iniquity
Uncle Sam with his ball and chain
Strange fe call I friend
My word dis time
Natty don't get fooled again

Oh when I rise in the morning
Jah, Jah spirit all over me
Must be idren must be, must be
Oh when I rise in the morning
Jah, Jah spirit all over me

I know his love is real
I know Jah love I
I know his love is real
I know Jah love I
