## Boot Camp Clik, Follow Me

Just when you thought it was safe I came back with the double D clan waitin for da man Buckshot, Da BDI...general, if I was you I wouldnt try so many tried so I seen the petty pass by listen as I take you on a mission with precision like a brown cent went on a hunt worldwide searchin for the true ingredients to make the pi?? 6 shorty wanna hound me for a flick but I got my chips, you gettin visions of my lips dicks swang, it dont mean a thang cuz when I was down, you was on the other side of town getting done by Starang, when he was in range now its gettin cold, so you actin kinda strange puttin my time to you broke bitches dont do shit but stress me out, now Im back in my riches to get my blue print down to my very last dot every move every motivation that I need aint no hesitation when it comes to rockin when we speak just follow my lead on this jou-rney

You never heard another MC like me follow my lead on the jour-ney you never heard another MC like me

Follow my lead on the journey you never heard another Mc like me so poetically on point its ridiculous hittin every key bassline when Im rippin this dont act like this aint the shit right now you know my hits make you wanna dance but you still sittin down dumb fucks have a seat and keep your tongue in your throat and dont bother to quote one note or in the mirror you kickin the verse to mine cuz in the freestyle, you'll be the last to rhyme this aint the battle between the two best no more survival of the fittest...this shit is war if you got your eyes open, you can see the light if you need a guide, follow wit pride...right

## Chorus

So many people took my lyrics and hooks if I wrote a book about you crook niggas gettin shook in a hot second, Im a get the hot-steppin on first, when Im on my verse, niggas need a nurse witout the kill patient, aint no hesitation bring your weapon like your military mind and steppin on E, times over for you Mc's all hail to G-O-D's, G-O-D's....
