

Boris Gardiner, I Want To Wake Up With You

I wanna wake up with you
I wanna be there when you open your eyes
I want you to be the first thing that I see
I wanna wake up with you
I wanna lay by your side baby
I wanna feel every beat of your heart
And throughout the night I wanna hold you tight
I wanna wake up with you
All the love inside me has been sleeping
Waiting till the right one came along
You can share the love that
I've been keeping, baby
You can put the music to my song
I wanna wake up with you
I wanna reach out and know that you're there
I want you to be the first thing that I see
I wanna wake up with you
And throughout the night
I wanna hold you tight
I wanna wake up with you
All the love inside me has been sleeping
Waiting till the right one came along
You can share the love that
I've been keeping, baby
You can put the music to my song
I wanna wake up with you
I wanna reach out and know that you're there
I want you to be the first thing that I see
I wanna wake up with you
I wanna lay by your side baby
I wanna feel every beat of your heart
And throughout the night I wanna hold you tight
I wanna wake up with you
All the love inside me has been sleeping
Waiting till the right one came along
You can share the love that
I've been keeping, baby
You can put the music to my song
I wanna wake up with you
I wanna reach out and know that you're there
