

Boris, Springitme

hiiiiiiiiii....

Oooh in springtime baby
Im blooming inside
ooh in springtime baby
the love of my life
Like a beautiful soul
make you feel so alive
ooh like a beautiful child
given you a first smile

ooh im dreaming..Im learning to fly
if I was a rainbow I would color your nights
into a lovely day with a beautiful smile
and it feels like coming home
and its heaven inside

ooh in springtime baby I feel like a child
ooh in springtime.. and Im running outside
ooh I try to catch the sun
take it back home
Ooh such a beautiful day
and it makes me feel so alive

hiiiiiiiiiiii hoeeeeeeeeeee.. ooooh oooooooh
