

Bosson, I Am Canadian

I know this place is where I am,
No other place is better then.
No matter where I go I am,
Proud to be Canadian!

I am, you know I am, I am Canadian!
I am, you know I am, I am Canadian!

COMMON!

I love this country where I am,
This land is where I make my stand.
No other heart is truer then,
The one we call Canadian!

SING IT !

I am, you know (you know I am), I am Canadian
I am, you know I am (you know I am), I am Canadian.
I AM CANADIAN!
