

# Boston, Magdalene

(Scholz-Foulke-Sikes)

I, I know I'm a dreamer  
It's easy to see I want to be a believer  
And fly right through the air  
Now I'm wide awake  
I want you to take me there  
The things that you told me  
I don't know if I was dreaming  
And dreams aren't enough  
Life is so lonely  
I need someone to believe in  
Are you in love?  
Can't you see that's everything to me  
That's enough

Magdalene, let me hear it said so I am sure  
Answer me - can't you see that's all I'm waitin' for?  
Here I am on my knees once more  
Magdalene

Time must lead you somewhere  
I don't want to wait  
I know you can take me there

The way that you hold me  
I don't know if I was dreaming  
And dreams aren't enough  
Life is so lonely  
I need someone to believe in  
Someone to love  
Can't you see that's everything to me  
That's enough

Magdalene let me hear it said so I am sure  
Answer me - can't you see that's all I'm waiting for?  
Here I am on my knees  
Oh, I'm begging you please  
Magdalene

Magdalene...  
Magdalene...  
Magdalene...
