Boston, Magdalene

(Scholz-Foulke-Sikes)

I, I know I'm a dreamer It's easy to see I want to be a believer And fly right through the air Now I'm wide awake I want you to take me there The things that you told me I don't know if I was dreaming And dreams aren't enough Life is so lonely I need someone to believe in Are you in love? Can't you see that's everything to me That's enough

Magdalene, let me hear it said so I am sure Answer me - can't you see that's all I'm waitin' for? Here I am on my knees once more Magdalene

Time must lead you somewhere I don't want to wait I know you can take me there

The way that you hold me I don't know if I was dreaming And dreams aren't enough Life is so lonely I need someone to believe in Someone to love Can't you see that's everything to me That's enough

Magdalene let me hear it said so I am sure Answer me - can't you see that's all I'm waiting for? Here I am on my knees Oh, I'm begging you please Magdalene

Magdalene... Magdalene... Magdalene...
