

Bow Wow & Omarion, Like You

[Chorus]

I ain't ever had nobody show me all the things
That you done showed me
In a special way I feel when you hold me
We gon' always be together baby
That is what you told and
I believe it cause I ain't never had
Nobody do me like you

[Bow Wow]

Now I done been with different kind of girls
So like I done seen them all
But ain't none of them at all (like you)
And I done seen the best of the best
Baby, still I ain't impressed cause
Ain't none of them at all (like you)
If you know how I feel when I chill
Look, if I'm seen with a girl
Then she gotta be just (like you)
And baby thats the way I feel
And I ain't got no choice
But for me to keep it real
Cause when we first got together
Starting hanging out you was skeptical at first
Had to figure out if
I was the kind of guy that
Would try to dog you out but
I ain't that kind of guy you try to make me out
You found out when you turned to my baby
I showed them other brothers
How to treat a lady
I let you drive when I ride that Mercedes

And I ain't trippin' or actin' shady
Cause baby you know

[Chorus]

[Ciara]

And everytime I think about you I smile
When you ride, when you call, when you come around
Your love is amazing to me
I can't wait till I see you (I wanna be with you again)
And everytime your out on the road (I'll make a trip)
And whenever I'm doing a show (Don't you forget)
That I'm your main chick
Who got that game chick
One in the same chick
The one you can hang with

[Chorus]

[Bow Wow]

Ok we hit the mall, pop tags
Spend a few G's (Cheesin')
Hit the runway to a new season
It ain't nothing
Spoil the one I care for
Feel like I ain't doin' enough
That's when I shape off
I give you this, give you that
What chu need love
You know I got it
Holla at me if you need love
In affection cause I'll be your protection
Kind of hard job but I'll do till perfection

And you can tell that I ain't tryin' to let you go
I get with you when I can
So thats how I let you know
And you be trippin' cause sometimes I gotta go
But chu the first one
I hollared to right after my show
Hey now I was trippin' in a sense
I was tense but my body's lose around you
But I'ma do without you
I gotta get it together, say whateva
Since I met you my life seems so better

[Chorus] - 2X
