

# Bowling For Soup, Endless Possibility

This is my escape  
I'm running through this world  
And I'm not looking back

'Cause I know I can go  
Where no one's ever gone  
And I'm not looking back

But how will I know when I get there?  
And how will I know when to leave?  
We've all got to start from somewhere  
It's like that for me  
The possibilities are neverending

I see it, I see it  
And now it's all within my reach  
Endless possibility  
I see it, I see it now  
It's always been inside of me  
And now I feel so free  
Endless possibility

You're losing speed, you're losing your flow  
But inside is a power you'll never know!  
Better let it out, it's inside you!  
Better all step back, 'cause I'm coming through!

I see it, I see it  
And now it's all within my reach  
Endless possibility  
I see it, I see it now  
It's always been inside of me  
And now I feel so free  
Endless possibility
