

Bowling For Soup, High School Never Ends

Four years you think for sure
That's all you've got to endure
All the total dicks
All the stuck up chicks
So superficial, so immature
Then when you graduate
You take a look around and you say "Hey wait,
This is the same as where I just came from";
I thought it was over
Aw, that's just great

The whole damn world is just as obsessed
With whos the best dressed and whos having sex,
Whos got the money, who gets the honeys,
Whos kinda cute and whos just a mess
And you still don't have the right look
And you don't have the right friends
Nothing changes but the faces, the names, and the trends
High school never ends

Check out the popular kids
You'll never guess what Jessica did
How did Mary Kate lose all that weight
And Katie had a baby so I guess Tom's straight
And the only thing that matters
Is climbing up that social ladder
Still care about your hair and the car you drive
Doesn't matter if you're sixteen or thirty-five

Reese Witherspoon -- She's the prom queen
Bill Gates -- Captain of the chess team
Jack Black -- the clown
Brad Pitt -- the quarterback
I've seen it all before
I want my money back

The whole damn world is just as obsessed
With whos the best dressed and whos having sex,
Whos in the club and whos on the drugs,
Whos throwin' up before they digest
And you still don't have the right look
And you don't have the right friends
And you still listen to the same shit you did back then
High school never ends

(High school never ends)

The whole damn world is just as obsessed
With whos the best dressed and whos having sex,
Whos got the money, who gets the honeys,
Whos kinda cute and whos just a mess
And you still don't have the right look
And I still have the same three friends
And I'm pretty much the same as I was back then
High school never ends

High school never ends
High school never ends
Here we go again...
