

Bowling For Soup, Nebraska

seems like i should know better,
i guess i dont know much,
when im alone im everything,
but im not well beneath it all.

im staring over my shoulder
just let me breath in peace now
cos all i ask for is a...day

one day..shine, one day...to leave it all behind.
one day yeah, one day to myself
ohhh oh oh oh x4

seems like i should know better,
i guess i dont know much,
when im alone im everything,
but im not well beneath it all

im staring over my shoulder,
just let me breath in peace now,
