

# Bowling For Soup, Out The Window

## Out The Window

You said to never ever come back  
I wasn't sure exactly what you meant by that  
I know that we have had some problems  
But I've got solutions in my head

So I jumped out the window  
And down the fire escape  
Broke the window, who needs car keys anyway?  
Climbed through the window, I thought led to your heart  
Thrown out the window, there was nothing there to break my fall.  
((Break my fall))

Sorry I sent you all the flowers  
I heard your boyfriend wants to shove them up my ass  
I never meant to cause you problems  
But I've got solutions in my head.

So I jumped out the window  
And down the fire escape  
Broke the window, who needs car keys anyway?  
Climbed through the window, I thought led to your heart  
Thrown out the window, there was nothing there to break my fall.  
((Break my fall))

You said it's over  
You said never again  
(Why does this happen all the time?)  
You don't even want to be friends  
(It makes you happy when I cry)  
Now all I've got left is my sanity  
Now all I've got left is my sanity  
And I'm not sure how far it goes.  
How far it goes.

So I jumped out the window  
And down the fire escape  
Broke the window, who needs car keys anyway?  
Climbed through the window, I thought led to your heart  
Thrown out the window, there was nothing there to break my fall.  
((Break my fall))  
Thrown out the window  
((Break my fall))  
Thrown out the window  
((Break my fall))  
Thrown out the window  
((Break my fall))

So I jumped out the window  
And down the fire escape  
Broke the window, who needs car keys anyway?  
Climbed through the window, I thought led to your heart  
Thrown out the window, there was nothing there to break my fall.
