

Bowling For Soup, Thirteen

Pinch my arm because I'm dreamin'
Better get me out of here
Once again my head is screamin'
Gotta get her off my mind

She's stayin'
And I'm prayin'
That she doesn't know what's on my mind
When she's around
She's stayin'
Complaining
Cause she doesn't know what's on my mind
When she's around

Suddenly I've got this feeling
I can't stop it anymore
Wake me again I'm dreamin'
Gotta get this off my mind

She's stayin'
And I'm prayin'
That she doesn't know what's on my mind
When she's around
She's stayin'
Complaining
Cause she doesn't know what's on my mind
When she's around

Pinch my arm because I'm dreamin'
Better get me out of here
Once again my head is screamin'
Gotta get her off my mind

She's stayin'
And I'm prayin'
That she doesn't know what's on my mind
When she's around
She's stayin'
Complaining
Cause she doesn't know what's on my mind
When she's around
