Boy George, Big Dark Man (Waiting)

Someone said that love Was a double handed glove But we need it all the time Alice she's got Mark Warren's in the dark Because his body's superfly Me I'm just a sucker Waiting for a lover Someone with a wicked smile What's a boy to do What's a girl to do What's the point to underline Waiting for a big dark man She's waiting for a big Dark man Someone said that sex Was a physical contest But I don't believe a word They say love is cool Then they must be fools Because of all the things I've heard Someone said that hippie Was a little tripy But he is a friend of mine Jeremy he throws But he might overdose If he finds a girl tonite
