

Boy George, Less Than Perfect

I know a song ain't good enough
To let you know how I feel
I'll sing it hard, I'll sing it sweet
To let you know that it's real

If I change my attitude maybe I can conquer you completely
All the things I say and do, everthing I learnt from you defeats me

And I let you down
I let you down
I let you down
I let you down

I know it's wrong to blame the past for everything that I do
I fool the world most of the time
but there's no foolin' you

If I change my attitude maybe I can conquer you completely
Everthing I say and do, all the things I learnt from you defeat me

And I let you down
I let you down
I let you down
I let you down

I let you down
Let you down

Can't you see it always hurts you babe
No matter how I feel it's you
One minute lover...and then the next

Oh,no
Oh,no,no

I let you down, yeh, yeh
I let you down
I let you down
I let you down
I let you down
I let you down
let you down

Let you down
