

Boy George, Nice and Slow

It's time to breathe

Good morning Mr Lovebones, how you doing today? (tell me)
Well I?m just like Patsy, I got my sparkle back again
I?ve been talking less, thinking more, feel like I should hold you inside
No more watching from the sidelines, I ain?t along for the ride, no sir
Well the wind might change while I'm talking to you
I feel a little faint getting too much truth
And nothing that I need to do
Take it nice and slow

Nice and slow
Nice and slow
Nice and slow (take it take it)
Nice and slow

Morning Mr. Darkness (o,o!), stop all this running away
Will you be walking in a straight line, now you know crime doesn?t pay
Your luck has changed, I got sweeter for you
I used to be a dreamer with my heart full of moon
Be careful not to speak too soon
Take it nice and slow

Nice and slow (take it take it)
Nice and slow
Nice and slow (take it take it)
Nice and slow

Nice and slow

And I walk down the street with a smile on my face and my heart on my sleeve
Nice and slow
And if you really love me then show it don?t say it
It?s the only way to go
Nice and slow
See I learnt the hard way love is mundane
Love is just nice and slow
