

Boy George, Out Of Fashion

Out Of Fashion by By George / Hi-Gate

Too much jealousy will make you crazy
I've been walking the street in shoes that kill my feet
Too much make-up, oh dream like a lady
Now you're a prisoner of some shallow dream

You're out of fashion, you're moments over
and yes I loved you, oh but you wore me out
You're out of fashion, so just forget it now
a living tragedy, parody fits you like a glove

Too much ego makes you ugly yeah
I've been running away from what I really need
Desperation pushes love away
Now you're a prisoner of you own desire

You're out of fashion you're moments over
and yes I loved you, oh but you wore me out
You're out of fashion, so just forget it now
a living tragedy, parody fits you like a glove

There's enough love in this world for you and me
There's enough love for everyone you wait and see
There's enough
