

# Boy George, Too Much Love

Too much love  
Too much love  
Too much, too much love

Too much love  
Hey yeah  
Too much love

You'll get over it they say  
Plenty fishes in the sea  
But ooh my life has changed  
Since you put your love in me

All my friends with their advice  
Trying to help me with my life  
And it's sadder  
Than the movies that I see

Let me tell you now  
Too much love is a bad thing  
Too much  
Too much love is a bad thing

When I see you on the street  
With that sorry looking face  
Saying how I done you in  
But you know that's not the case

Wherever I go  
Whatever I do  
It seems like nothing I ever say  
Ever pleases you

Too much love is a bad thing  
Too much  
Too much love is a bad thing

Too much love is a bad thing  
Too much love it's a bad thing  
Too much love

Too much love  
Too much

You'll get over it they say  
Plenty fishes in the sea  
But ooh my life has changed  
Since you brought your love to me

Wherever I go  
Whatever I do  
It seems like nothing I ever say  
Ever pleases you

Let me tell you now  
Too much love is a bad thing  
Too much  
Too much love is a bad thing

Too much love is a bad thing  
Too much love is a bad thing  
Too much love it's a bad thing

Wherever I go

Whatever I do yeah  
It seems like nothing I ever say  
Ever pleases you

I'm weak and you're strong  
I'm wrong and you're right  
Too much love  
Too much  
Too much love  
Too much love  
Too much love  
It's a bad thing yeah  
It's a bad thing  
It's a bad thing
