

Boy Hits Car, Lovefury passionenergy

She's like a lost flower
Growing up through a crack
In the bustling sidewalk
Moving like a river so sad

So hey, where we going?
Tell me where we've gone
Was there love and fury
Energy and passion

So fuck your rules man
You step up, you'll go down fast
I've got to release all the
Shit that has made up my past

So go paint your face and
Proclaim thy warrior soul
Cause life is a brutal fight
Until we choke
A shade of timelessness
For we are all distinct
And awaiting our
Transcendental release

So fuck your rules man
You step up, you'll go down fast
I've go to release all the
Shit that has made up my past
So go let your soul dance naked
Time to free yourself at last
Unshackle your life's spirit
Fly away far from the past
Cause it's gone

Like a lost flower
Growing with mad wind
Like a sad river
Who has no end

So fuck your rules man
Cause here comes my passion
So fuck your rules man
Cause here comes my love
So fuck your rules man
Here comes pure energy
So fuck your rules man
Cause here comes my FURY

SO FUCK YOUR RULES MAN
SO FUCK YOUR RULES MAN
SO FUCK YOUR RULES MAN
SO FUCK YOUR RULES MAN

You step up, you'll go down fast
I've got to release all the
Shit that has made up my past
So go let your soul dance naked
Time to free yourself at last
Unshackle your life's spirit
Fly away far from the past
