

Boy Kill Boy, On My Own

Feel the force of the blow
That's the price for getting down
Maybe I understand
Just because I'm doing fine
On my own
I'm better off
On my own

Feel the cold of my hands
That's the price for moving on
Taste the shame on my lips
I know I'll do this
On my own
I'm better off
On my own

Chorus
Set aside, left behind, says I
The final kiss goodnight, my love
tears will fall, years will go they say
The final kiss goodbye, my love

Wipe the sleep from your eyes
The last night's lullabies
It's a smack in the face
I know, I know you'll do this
In your own way

Keep the wolf from the door
Spend some time getting well
On your own
We're better off
On our own
