

# Boy Kill Boy, Pen & Ink

I need some time  
To make up my mind  
Same kinda way it might sound strange  
If this appears unkind  
To make some sense  
Of this consequence  
Pen 'n ink is nothing more  
Than a confession told

It's cold I know, it's the only way  
I apologize, I sympathize  
It's cold I know, it's the only way  
I apologize, I fantasize, O.K.

Break my bones  
If it makes you feel at home  
And if it sounds unkind  
Tell me do you feel alone?

It's cold I know, it's the only way  
I apologize, I sympathize  
It's cold I know, it's the only way  
I apologize, I fantasize, O.K.  
I need some time  
To make up my mind  
So break my bones  
Tell me do you feel alone?  
It's so unkind  
It's such a waste of time

It's cold I know, it's the only way  
I apologize, I sympathize  
It's cold I know, it's the only way  
I apologize, I fantasize, O.K.
