

# Boy Kill Boy, Suzie

This is not a movie  
Things just ain't the same as your favourite video  
Try standing back and move me  
next to you's a very nice place to go

Talk talk to Suzie!  
"I went through a million choices."  
Talk ... Suzie! (?)  
"I listened to a million voices"  
And they said...  
"Don't let me down" they said  
"Don't let me down again"  
No no...

Countdown, countdown, countdown to the disappointment  
"I'm yours, tonight!"  
Countdown, countdown, countdown to the disappointment  
"I'm yours, tonight!"  
Oh no no no

Read not what the stars say

There's an evil lurking round every door  
It's not enough to make you leave me  
And I never wanted you to go

Talk talk to Suzie!  
"I went through a million choices"  
Talk ... Suzie!  
"I listened to a million voices"

And they said...  
"Don't let me down" they said  
"Don't let me down" they said  
"Don't let me down again"  
No no...

Countdown, countdown, countdown to the disappointment  
"I'm yours, tonight!"  
Countdown, countdown, countdown to the disappointment  
"I'm yours, tonight!"

Oh, time has leering on  
So take another breath  
And taste this one more time again

Countdown, countdown, countdown to the disappointment  
"I'm yours, tonight!",  
Countdown, countdown, countdown to the disappointment  
"I'm yours, tonight!",  
Countdown, countdown, countdown to the disappointment  
"I'm yours, tonight!"
