

# Boys Like Girls, Learning To Fall

Today is the day  
The worst day of my life  
You're so content it hurts me  
I don't know why  
The cost of misery  
Is at an all time high  
I keep it hidden  
Close to the surface in sight

I'm learning to fall  
I can't hardly breathe  
When I'm going down don't worry about me  
Don't try this at home  
You said you don't see  
I don't want to know that you know, it should have been me

Could you be with him?  
Or was it just a lie?  
He doesn't catch you like I do  
And you don't know why  
You change your clothes and your hair  
But I can't change your mind  
Oh, I'm uninvited  
So unrequited now

I'm learning to fall  
I can't hardly breathe  
When I'm going down don't worry about me  
Don't try this at home  
You said you don't see  
I don't want to know that you know, it should have been me

Words screaming in my head  
Why did you leave?  
And I can't stop dreaming  
Watching you and him  
When it should have been  
It should have been me

Today is the day  
The worst day of my life

I'm learning to fall  
I can't hardly breathe  
When I'm going down don't worry about me  
Don't try this at home  
You said you don't see  
I don't want to know that you know, it should have been me

Whoa (I'm learning to fall, I can't hardly breathe)  
(I don't want to know that you know, it should have been me)  
Tell me that you know, it should have been me)  
Whoa (Don't try this at home, You said you don't see)  
I don't want to know that you know, it should've been me  
Whoa (I'm learning to fall, I can't hardly breathe)  
(I don't want to know that you know, it should have been me)  
Tell me that you know, it should have been me  
Whoa (Don't try this at home, You said you don't see)  
I don't want to know that you know, it should've been me
