

Boyz II Men, 4 Seasons Of Loneliness

I long for the warmth of days gone by
When you were mine
But now those days are memories in time
Life's empty, without you
By my side
My heart belongs to you
No matter what I try

When I get the courage up to love somebody new
It always falls apart 'cause they just can't compare to you
Your love won't release me
I'm bound under ball and chain
Reminscing our love
As I watch 4 seasons change

In comes the winter breeze
That chills the air and drifts the snow
And I imagine kissing you under the mistletoe
When springtime makes it's way here
Lilac blooms reminds me of
The scent of your perfume
When summer burns with heat
I always get the hots for you (ooh)
Go skinny dipping in the ocean where we used to do
When autumn sheds the leaves
The trees are bare, when you're not here
It doesn't feel the same

Oooh
Remember
The nights when (remember the night)
When we closed our eyes (when we closed our eyes)
And vowed that you and I would be in love for all time

Everytime I think about these things I shared with you
I break down and cry 'cause I get so emotional (I feel so emotional)
Until you release me i'm bound under ball and chain
Reminscing our love
As I watch 4 seasons change

In comes the winter breeze
That chills the air and drifts the snow
And I imagine kissing you under the mistletoe
When springtime makes it's way here
Lilac blooms reminds me of
The scent of your perfume
When summer burns with heat
I always get the hots for you (ooh)
Go skinny dipping in the ocean where we used to do
When autumn sheds the leaves
The trees are bare, when you're not here
It doesn't feel the same

Mmmm
This loneliness has crushed my heart (it's killing me baby)
Please let me love again
'Cause I need your love to comfort me and ease my pain
Or 4 seasons will bring
The loneliness again

In comes the winter breeze
That chills the air and drifts the snow
And I imagine kissing you under the mistletoe
When springtime makes it's way here

Lilac blooms reminds me of
The scent of your perfume
When summer burns with heat
I always get the hots for you (ooh)
Go skinny dipping in the ocean where we used to do
When autumn sheds the leaves
the trees are bare, when you're not here
It doesn't feel the same

Remember,
The warmth of,
Days gone by.
