

# Boyz II Men, Ain't A Thang Wrong

Its 11:45

Gang of Escalades parked outside  
Big bladess chromed up with shine  
Only one thing on my mind  
All week I've been a slave to the grind  
Tonight I'm tryin' to have a good time  
Rollin' wiht my whole crew behind me  
To the livest hot spot we find

Haters step out my way  
'Cause a playa just wanna play  
No occasion to celebrate  
But I'm gon' do it anywat  
Line outside but I don't wait  
Roll through the door but I don't pay  
Lettin' go man I just can't wait  
No more further delay  
Time to get it on my people

[CHORUS]

Ain't a thang wrong with having a good time  
Ain't a thang wrong eith getting it on tonight  
Woo, woo, wwo fel alright  
Leave the bullshit way behind  
'Cause its party time

Making my way inside  
See a honey by the bar that looks tight  
Told her to order anything she likes  
'Causeshe looks just that nice, yeah  
After two drinks or more  
I took her hand and moved to the floor  
I handle mine, baby handle yours  
'Cause I'm a make it hot for sure  
Time to get it on my people

[CHORUS 2X]

[Rap]

[BRIDGE]

I wanna see you dancing on the floor  
Hands in the air like you don't care no more  
Because tonighr we're gon' all out fa sho  
Nothin' else on my mind  
You know it party time, party time
