

Boyz II Men, Baby I Miss You

Baby I miss You

I've been feeling this emptiness for sometime
Trying make do
But my world has been so crazy
Living without you
I'm a man not ashamed to admit my faults
Now that I know
But the only thing that matters now
I should have never let you go
So every night before I go to sleep, I pray
That the lord would someday some how
Send you back my way

Baby I miss you
I need to be back in your arms
I've never stopped loving you
My heart is where you belong
Baby I miss you
Before heaven and earth pass away
Lord please show me what to do
Tell me what to say
Cause we've come to far to let it slip away
Ooooh we've come to far to let it slip away

Couldn't understand many things in my life
And what you meant to me
Now I'm prepared to be everything that a man is suppose to be
I don't wanna be alone no more
So then my heart can take it
That weeks have past
Since you've been gone
That I've thought that I could make it
Oh baby
So every night before I go to sleep, I pray
That the lord would one day somehow
Bring you back my way

Baby I miss you
I need to be back in your arms
I've never stopped loving you
My heart is where you belong
Baby I miss you
Before heaven and earth pass away
Lord please show me what to do
Tell me what to say
Cause we've come to far to let it slip away
Cause we've come to far to let it slip away
Baby don't know what else to say or do
Its hard to get through every night and everyday
Knowing I had you walk away
Its killing me inside
Feeling so strong I can't hide
So lord help me get through trying times
I'll do anything to have you back in my life

Baby I miss you
I need to be back in your arms
I've never stopped loving you
My heart is where you belong
Baby I miss you
Before heaven and earth pass away
Lord please show me what to do
Tell me what to say

Cause we've come to far to let it

Baby I miss you
I need to be back in your arms
I've never stopped loving you
My heart is where you belong
Baby I miss you
Before heaven and earth pass away
Lord please show me what to do
Tell me what to say
Cause we've come to far to let it
Baby I miss you
