

Boyz II Men, In The Still Of The Nite

Boyz ii men harmony part:
Sha doop shobe doo (repeats a lot)

In the still of the nite
I held you, held you tight
Oh I love, love you so
Promise I'll never let ya go
In the still of the nite
In the still of the nite

I remember (I remember) that night in bed
Well the stars (the stars) were bright above
I hope and I pray
To keep your precious love

So before the light

Hold me again
With all of your might
In the still of the nite
In the still of the nite

Boyz ii men harmony part:
Shoo wap shoo wa (repeats a lot)

So before the light
Hold me again with all of your might
In the still of the nite
In the still of the nite
In the still of the nite

Boyz ii men harmony part:
Sha doop shobe doo (repeats a lot and fades out)
