

Boyz II Men, Lovin' you

Your eyes are telling me
On my knees is where I should be
On your lips I can read my name
Even though you ain't said a thing
I know I've been here before
A familiar place, in fact I'm sure
That I, you, something in between
That's haunting me

(Chorus)

Instantly you're on top of me
So good to see you on top of me
This is where I'm supposed to be
All up into you
There's no place I would rather be
Livin' inside of your ebony
Lovin' you , make love to you
Love ya , oh my lo-vin' you

(Verse 2)

Got me open and I can't explain
How in our ecstasy there's no shame
Composure we had is gone
Lust in us we can't tame
We've been here before
This familiar place in fact I'm sure
It was a dusk, dawn, through the afternoon
I'm still in you

(Chorus)

Instantly you're on top of me
So good to see you on top of me
This is where I'm supposed to be
All up into you
There's no place I would rather be
Livin' inside of your ebony
Lovin' you , make love to you
Love ya , oh my lo-vin' you

(Breakdown)

It seems like the longer we stay together,
The more I can't get enough
(Baby I just can't get enough)
And even though you're mine
I just want you more, and more and more
I just wanna (make love to you)
And I wanna (love ya)
Cause I love (loving you all night long)
I just wanna love - you

(Talk)

(Repeat x 2)

Instantly you're on top of me
So good to see you on top of me
This is where I'm supposed to be
All up into you
There's no place I would rather be
Livin' inside of your ebony
Lovin' you , make love to you
Love ya , oh my lo-vin' you
