Boyz II Men, Morning Love

Wake up

Couldn't wait until the morning Cause at night I was dreamin of you So I opened up my eyes Just to see if you were still there Watch you sleep for a moment Then I touched your thighs You smiled as you opened up your eyes Cause you know it's time

[Pre-chorus] For the whole day to start out right Nothing can compare to this Sexin you while the sun rise Gives your body a kiss Your give'n me love signs But you want it just as much as I do I want you baby

[Chorus] Come on no more hesitating Wake up time to rise Give me some of that morning sunshine Your just so damn fine

Makes me want it all the time Girl you keep me satisfied That's why everything is goin to be alright I've been waited all night...cause I know There's nothing like that morning love

It feels like just like your raining So I stay in...and get wetter than I have ever been Forget the morning imperfections Now that it's going down I know it makes your sunrise feel so good And I wouldn't change positions if I could I do want you baby

[Chorus]

Oh nothing like that AM love

Oh nothing like that love

[Pre-chorus]

[Chorus]
