

# Boyz II Men, One Sweet Day

Boyz II Men:

Sorry I never told you, all I wanted to say  
And now it's too late to hold you  
Cause you've flown away, so far away

Mariah:

Never had I imagined, living without your smile  
Feelin', knowin' you hear me  
It keeps me alive, alive

Together:

And I know you're shining down on me from heaven,  
Like so many friends we've lost along the way  
And I know eventually we'll be together (together)  
One sweet day

Mariah:

I'll wait patiently to see you in heaven.

Boyz II Men:

Darlin' I never showed you (no no no)  
Assumed you'd, always be there  
And I, I took your presence for granted  
But I always cared (I always cared)  
And I miss the love we shared

Together:

And I know you're shining down on me from heaven,  
Like so many friends we've lost along the way  
And I know eventually we'll be together (together)  
One sweet day

Boyz II Men:

Although the sun will never shine the same  
I'll always look to a brighter day

Mariah

Yeah Yeah and Lord I know when I lay me down to sleep  
You will always listen as I pray

Together:

And I know you're shining down on me from heaven,  
Like so many friends we've lost along the way  
And I know eventually we'll be together (together)  
One sweet day

And I know you're shining down on me from heaven,  
Like so many friends we've lost along the way  
And I know eventually we'll be together (together)  
One sweet day

Sorry I never told you, all I wanted to say
