

# Boyz II Men, One Sweet Day (A Capella)

I won't be afraid  
I'll be alright if you help me  
I know you're looking down from heaven  
And I won't let you down  
I'll be everything you taught me  
And all that I know is I'll wait  
Patiently to see you in heaven

Sorry I never told you all I wanted to say  
And now it's too late to hold you  
'Cos you've flown away, so far away

Never had I imagined  
Living without your smile  
Feeling, knowing you hear me  
It keeps me alive  
Alive

(Chorus)  
And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
One sweet day

Darling, I never showed you (darling .. I never showed you)  
Assumed you'd always be there (always)  
I took your presence for granted (presence for granted)  
But I always cared (but I always cared)  
And I miss the love we shared

(Chorus)

Although the sun will never shine the same,  
I'll always look to a brighter day

Yeah, Lord I know when I lay me down to sleep  
You will always listen (you will always listen)  
As I pray

(Chorus) x2

Sorry I never told you all I wanted to say
