

# Boyz II Men, Please Don't Go

Hey Baby, I'm sorry, I never meant to hurt you (ohh)  
Please Don't Go  
Slowly, my eyes begin to see that I need here and with me at all times.  
Yeah  
My Feelings are so, Deep for you  
That I won't let go oh no, Of you  
I can't let this love (slip away)  
And I can turn it around (see)  
and Don't leave me...  
(Chorus)  
Please don't go away from me (I'll be there for you)  
When you call my name (call my name)  
I'll reach out my hand to you (to my love)  
To My heart (to my heart)  
Please don't go away from me  
We can work it out  
whatever it may be girl  
Please don't go  
No No No No No, Please don't go.  
Hey baby, It's not often that we see each other.  
That's why, I cherish every moment that we spend together  
When your away, temptation may come  
But when i get caught up (ohhh) X3  
I let go  
THinking about you each day  
I feel (I love and I'll never leave you)  
Your love make my head spin round and round in a daze  
yeah oh yea oh baby  
I can't let this love (slip away)  
And I can turn it around (see)  
and Don't leave me...  
Ohhh.....  
Chorus X2  
Please don't go away
