

# Boyz II Men, So Amazing

Oh, ooh, oh yes  
When you're life's walk  
Can't see the light of day  
And your hope is gone  
When you second-guess your faith  
When you turn around  
And realize that no one else  
Will believe in you only yourself

When you're holding on  
Can't find a will to breathe  
Can you right the wrong?  
That has brought you to your knees  
Though you've barely lived your life  
You keep on believing you'll survive  
And all that's left is what's inside

1 - Amazing  
I have heard my inner voice  
And finally can rejoice  
I was lost and way down  
Never thought that I would be  
Amazing but now I'm free

So you let go of love that's holding on  
And you close your eyes  
Never thought of being wrong  
And you surrendered half your life  
To a world of pain and sacrifice  
But through it all, through it all  
You make things right

Repeat 1

Desperate (oh so desperate)  
So confined (so confined)  
Every day (oh) losing touch (losing touch) of my mind  
(Of my mind, oh)  
I found that strength  
(So I found that strength)  
In my pride  
(And I've gave my pride)  
Isn't it crazy, so amazing  
I'm alive

Repeat 1 (2x)

So free, amazing that now I'm free
