

# Boyz II Men, Your Home is in My Heart

Don't be afraid, love has no age.

Even from across the sea (so far across the sea)  
I can hear you calling me (baby come to me)  
Destiny controls the air (no matter where you are)  
Dream and dare to love again (your home is in my heart)

I know the way I feel bout you won't pass,  
yes it's going to last and stand the test of time.  
So your search for love is about to end.  
Your future hold, a place where true love begins.  
I'll be right there.  
Even

Even from across the sea (so far across the sea)  
I can hear you calling me (baby come to me)  
Destiny controls the air (no matter where you are)  
Dream and dare to love again (your home is in my heart)

Take a romantic journey, just start in the beginning,  
you won't no where you're going til you're there.  
Is it just physical or is it lasting love, please don't give up,  
we won't know unless we try.  
So Far

Even from across the sea (so far across the sea)
