

# Boyzone, A Picture Of You

Didn't they say that I would make a mistake  
Didn't they say you were gonna be trouble  
People told me you were too much to take  
I couldn't see it, I didn't want to know

I let you in, and you let me down  
You messed me up and you turned my life around  
Left me feeling I had nowhere to go  
I was alone how was I to know that

You would be there when I needed somebody  
You would be there the only one could help

I had a picture of you in my mind  
Never knew it could be so wrong  
Why'd it take me so long just to find  
The friend that was there all along

Who'd believe that after all we've been through  
I'd be able to put my trust in you  
Goes to show you can forgive and forget  
Looking back I have no regrets cos

You would be there when I needed somebody  
You would be there the only one could help me

I had a picture of you in my mind  
Never knew it could be so wrong  
Why'd it take me so long just to find  
The friend that was there all along

You would be there when I needed somebody  
You would be there the only one could help me

I had a picture of you in my mind  
Never knew it could be so wrong  
Why'd it take me so long just to find  
The friend that was there all along

Had a picture of you in my mind  
Never knew it could be so wrong  
Why'd it take me so long just to find  
The friend that was there all along

Had a picture of you in my mind, all along  
Never knew it could be so wrong, all along  
Why'd it take me so long just to find
