

Boyzone, New Beginning

Seven years of waiting
Seven years of holding on
Yes it's been
Yes it's been...
Always kept my faith in
Always knew this day would come
Let everybody know...
I've made up my mind
(It's time for a new beginning)
Oh oh oh yeah
I'm living my life
Yeah
(It's time for a new beginning)
Yeah-eah-eah oh

There's a new day coming
I'm getting ready for a change
Yes I am
Yes I am
Gotta keep on running
Gotta be a better way
Yes there is
Yes there is
Gotta do what's in your heart
Say what's on your mind
Everybody
Gotta be true to myself
I feel now that it's my time
Let everybody know...yeah

I've made up my mind
It's time for a new beginning
I'm living my life
It's time for a new beginning

Now... Oh I...
(New beginning)
(It's time for a new beginning)
Yeah

I've made up my mind
It's time for a new beginning
I'm living my life
It's time for a new beginning

Come on
Come on
There's gotta be a better way
(It's time for a new beginning)
Come on
Come on
There's gotta be a better day
(It's time for a new beginning)
Yeah yeah yeah yeah oh..
