

# Boyzone, Oh Carol

I've got to tell you  
girl you're in danger  
No one can save you now  
You're going to be mine somehow  
You didn't know me  
But to me you're no stranger  
Saw you each day every week  
I was too shy to speak  
I loved you long ago  
I loved you even though  
You never looked my way  
But now I've got to say..  
Oh Carol, gotta make you mine  
Carol, it'll work out fine  
I know it's love, I know it's love for real  
I know it's love, I know the way I feel  
Carol, you're my dream come true  
Carol, when I look at you  
Carol, say you'll never go  
Carol, now I need you so

Carol when I hold you tight  
I don't want to say goodnight

Can't you feel it  
It's all around you  
Reach out and take it all  
don't be afraid to fall  
Don't want to lose you  
now that I've found you  
I'll always be around  
I'll never let you down

I loved you long ago  
I loved you even though  
You never looked my way  
But now I've got to say..

[CHORUS]

Carol when I hold you tight  
I don't want to say goodnight

[CHORUS to fade]
