

# Boyzone, Temptation

Oh yeah!  
Your love is temptation  
Racing through my veins  
Temptation  
Stop playing silly games  
Temptation  
Ain't that a crying shame  
Temptation  
To me  
Some call it evolution  
I just call it odd  
All these indecisions  
People playing God  
And Heaven and earth can take one piece of me  
But I'm taking all of you

And so  
Your love is temptation  
Racing through my veins  
Temptation  
Stop playing silly games  
Temptation  
Ain't that a crying shame  
Temptation  
To me

I got a crazy notion  
Something's coming over me (yeah)  
You gave me some kind of potion  
Now I've lost reality  
Heaven and earth can take one piece of me  
But I'm taking all of you

And so  
Your love is temptation  
Racing through my veins  
Temptation  
Stop playing silly games  
Temptation  
Ain't that a crying shame  
Temptation

Temptation  
Temptation  
Temptation  
Temptation  
To me  
Temptation  
To me  
Temptation

Heaven and earth can take one piece of me  
But I'm taking all of you

And so  
Temptation  
Temptation  
Stop playing silly games  
Temptation  
Ain't that a crying shame  
Temptation  
Your love is temptation  
Racing through my veins  
Temptation

Stop playing silly games  
Temptation  
Ain't that a crying shame  
Temptation  
To me
