

# Boyzone, You Flew Away

Let you leave that day  
Let you walk on by  
Breaking up would pay  
But you had far more pride  
If I could give  
Would God accept me  
Tried so hard to live  
Oh why  
Did you have to go out of my life  
Never got the chance to say goodbye  
You flew away  
You flew away  
You left, you flew away  
This heart it aches  
Oh babe you flew away  
And I cry, I pray each night to God

(tell me why)  
Did you fly away  
Hey  
Woah baby  
(tell me why)  
Why, why  
Did you fly away  
Hey

Sat along the bay  
Watched the stars in the sky  
Seems like yesterday  
That you were by my side  
If I could give  
Would you still want me  
And would you forgive  
Oh why  
Did you have to go out of my life  
Never got the chance to say goodbye

[CHORUS X 2]

Why you wanna fly yeah  
(why'd ya fly)  
Why you wanna fly away  
Why you wanna fly yeah  
(why'd ya fly)  
Listen now baby baby

Why why why  
Did you fly away hey  
Oh baby  
(tell me why)  
Tell me why, tell me why  
Did you fly away hey  
Yeah, yeah  
Why'd ya fly  
Why'd ya fly  
Baby baby..[fade out]
