

Boz Scaggs, Love Me Tomorrow

You say that you love me anyway
But I know its not in your eyes
You say
you can take it night and day
But I know its an alibi
Dejon where did we go wrong
You said that you'd be mine
Till the end of
time
Love me tomorrow
Love me tomorrow
Love me tomorrow
Love me
tomorrow
I say its a sad sort of play
When you never get to my lines
You say
that I'm better off this way
But I know it's all in your mind
Dejon where did we go wrong
You said that you'd be mine
Till the end of
time
Love me tomorrow
Love me tomorrow
Forget all your sorrow
Love
me tomorrow
Dejon where did we go wrong
You said that you'd be mine
Till the end of
time
Love me tomorrow
Love me tomorrow
Forget all your sorrow
Love
me tomorrow
